

Each Pre-K student received a *Bedtime in a Box* filled with materials to establish a bedtime routine, such as toothbrushes, stuffed animals, and books, so that our cubs are well-rested for a full day of learning!

### Thanksgiving Literacy Activities

Your child can work on developing literacy skills by helping you to prepare for Thanksgiving dinner. Here are some ways:

- Have your child make name cards for everyone who will be sitting at the Thanksgiving dinner table. They can draw pictures and you can add the names. Or, if they are ready, they can sound out names and add letters.
- Have your child draw a picture of something they are thankful for. You can write words on the picture or help your child sound out words and write letters.
- Look for words in magazines related to Thanksgiving, such as "turkey" and "stuffing." Show your child these words and talk about the letters.

Open-ended question: What is something you are thankful for and why?

### November Judy Center Events
